

LIST OF VARIETIES WHICH ARE REGISTERED IN CANADA LA LISTE DES VARIÉTÉS QUI SONT ENREGISTRÉES AU CANADA

All varieties are permanently registered for all provinces and territories of Canada unless otherwise indicated. A summary of varieties that have restricted registration is included in Appendix 1.

The Procedures for the Registration of Crop Varieties in Canada, section 5.5, was amended on March 10, 2003 to allow applicants, under specific conditions, to have been bred outside of Canada. As part of a commitment by the CFIA to make synonyms publicly available, the LOVRIC lists all known synonyms.

This list replaces the list published on January 1, 2012.

Toutes les variétés sont enregistrées d'une façon permanente pour toutes les provinces et territoires du Canada à moins d'indication contraire. Une liste des variétés qui sont enregistrées de façon limitée est incluse dans l'annexe 1.

La section 5.2 des Modalités d'enregistrement des variétés au Canada a été modifiée le 10 mars 2003 de manière à permettre au requérant, à certaines conditions, d'appeler par un synonyme une variété créée ailleurs qu'au Canada. Comme l'ACIA tient à rendre les synonymes accessibles au public, tous les synonymes connus sont énumérés dans la Liste des variétés enregistrées au Canada.

Cette liste remplace celle publiée le 1^{er} janvier 2012.
